DATE PREPARED 17 November 1950

1. The single-engine ground attack aircraft stationed at the Staaken (N 53° 2' 65") airfield made local and formation flights on 16, 18, and 19 October 1950.
2. From 20 to 30 ground attack aircraft took off from the field [redacted] on 20 October. Their landings were not seen. 25X1
3. The single-engine aircraft evacuated were not on the field on 21 October. Only one twin-engine transport and 6 biplanes were parked on the southern edge in front of the hangars. The sentry was no longer posted at the bomb dump in the northeastern section of the field. The patrols, previously in the southern section of the field, had disappeared. The radio station west of the field was still occupied. *
